DEPOSITS

Your Company has not accepted any deposits within the meaning of section 73 and 74 of the Act read with Companies (Acceptance of Deposits) Rules, 2014 during the year under review.

SUBSIDIARY COMPANIES, ASSOCIATES AND JOINT VENTURES

At the beginning of the financial year, the Company had 19 direct subsidiaries (wholly owned) and 2 step-down subsidiaries (wholly owned). During FY 2020-21, the Company has closed its subsidiary company in China. Further, the wholly owned subsidiary company in USA namely Infinite Company Solutions Inc. acquired 100% stake in Pioneer Holdbull Inc, a Company incorporated in USA, w.e.f. Jan 1, 2021, to make the later as its wholly owned subsidiary. The name Pioneer Holdbull Inc was later changed to Infinite Talent Inc. in July 2021.

As on March 31, 2021, the Company has 21 subsidiaries including 18 direct subsidiaries (wholly owned) and 3 step-down subsidiaries (wholly owned).

There has been no material change in the nature of the business of the subsidiaries.

The Company has one Associate Company, namely MC Data Services Private Limited. The Company does not have any Joint Venture.

Additional investments in subsidiaries / associates, as applicable, have been adequately disclosed in the Financial Statements.

The annual accounts of the subsidiary companies are available for inspection of the Members at the registered office of the Company during normal business hours by giving an advance notice of at least 2 working days. A copy of the same shall be provided to a member upon request.

Pursuant to the provisions of Section 129(3) of the Act, a statement containing the salient features of Financial Statements of the Company's subsidiaries in Form AOC-1 forms part of the Financial Statements of the Company.

EXTRACT OF ANNUAL RETURN

Pursuant to the provisions of section 92(3) of the Act read with Section 134(3)(a) of the Act, the Annual Return as on March 31, 2021 is available on the Company's website at the link: <https://www.infinite.com/annual-return>.

ONGOING SCHEME OF ARRANGEMENT

During the year the Company (as **"Transferee Company"**) has entered into a Scheme of Arrangement (**"Scheme"**) with two Promoter Group entities namely MC Data Systems Private Limited (**"Transferor Company 1"**) and Inswell IT Applications Private Limited (**"Transferor Company 2"**).

This Scheme is being undertaken as part of the restructuring plan to simplify the holding structure through consolidation and to reduce the paid-up share capital of the Transferee Company held by the Relevant Shareholders (who are the remaining Public shareholders).

As per the Scheme, the Transferor Company 1 and Transferor Company 2 will merge into the Company subject to approvals of shareholders and other regulatory approvals.

The Company shares were delisted in the year 2018. Post delisting, the Company's equity shares cannot be traded on any of the stock exchanges in India and hence, the remaining public shareholders do not have many avenues to monetize or liquidate their shareholding. The Scheme provides liquidity and exit route to these public shareholders in a fair and transparent manner by way of reduction of capital.

Upon First Motion Application filed by the Company, the National Company Law Tribunal, Chandigarh Bench has vide order dated August 04, 2021 directed for calling of a meeting of equity shareholders of the Company via Video Conferencing / Other Audio-Visual Means on September 25, 2021. The Company is in the process of intimating the shareholders about such a meeting. The shareholders of the Company are requested to vote in favour of the ongoing scheme in their own interest.

CHANGE OF THE REGISTERED OFFICE

Pursuant to approval obtained from the members on November 24, 2019, via Postal Ballot process and approval obtained from the Regional Director, Northern Region, Ministry of Corporate Affairs on September 24, 2020, the Company has shifted its registered office from NCT of Delhi to the State of Haryana for administrative convenience and better control.

Effective from October 09, 2020, the new registered office address of the Company shall be as follows:
4th Floor, Plot No. 21, Institutional Area, Sector 44, Gurugram - 122001, Haryana, India

NUMBER OF MEETINGS OF THE BOARD

The Board met seven (6) times during the Financial year on the following dates: August 18, 2020, August 28, 2020, November 20, 2020, December 21, 2020, December 24, 2020 and March 17, 2021.

The maximum interval between any two meetings did not exceed the maximum time prescribed under the Act.

NOMINATION AND REMUNERATION POLICY

The Board has upon recommendation of the Nomination and Remuneration Committee, framed a 'Nomination and Remuneration Policy' (**"NRC Policy"**). The salient features of NRC Policy are:

- The NRC Policy prescribes the criteria for determining qualifications, competencies, positive attributes and independence for the appointment of a Director (executive / non-executive), Key Managerial Personnel (**"KMP"**), Senior Management and other Employees.

ANNUAL REPORT ON CSR ACTIVITIES

For the financial year ended on March 31, 2021

[Pursuant to section 135 of the Act & Rules made thereunder]

1. Brief outline on CSR Policy of the Company:

The objective of the Company's corporate social responsibility ("CSR") policy is to establish a guideline to comply with the provisions of CSR as envisaged under the Companies Act, 2013 ("the Act") and the Companies (Corporate Social Responsibility Policy) Rules, 2014 and to dedicate a percentage of Company's profits for social projects. The aim is to contribute positively to society, improve the quality of life, provide sustainable solutions and make a meaningful impact and also to create opportunities for employees to participate in socially responsible initiatives. The Company has a CSR Committee which is inter alia responsible for formulating and monitoring the CSR Policy of the Company. The CSR activities, projects and programmes undertaken by the Company shall be those as approved by the CSR committee and are covered under the areas set out in Schedule VII of the Act. The terms of reference of CSR Committee, framed in accordance with Section 135 of the Act. The CSR policy of the Company are placed on the website of the Company at <https://www.infinite.com/policy/csr>.

During the year, Company has continued to collaborate with University of Pennsylvania Institute for the Advanced Study of India ("UPIASI"), New Delhi, a registered society, for undertaking its CSR activities. UPIASI has been recognised as a Scientific and Industrial Research Organisation by The Department of Scientific and Industrial Research under the Ministry of Science and Technology. The purpose of CSR grant is to support research projects in India that are poised to make significant contributions to their field and catalyze transformative idea in and across academic disciplines; thereby contributing towards economic, social and environmental development that creates positive impact on society at large. The grant is structured to support CSR activities, specifically, as defined under Schedule VII of the Act, in sectors such as rural development education; healthcare, road safety, nutrition and sanitation; gender, social and economic empowerment; environmental sustainability; and art, culture and sports. Given the current global crisis and economic downturn due to the pandemic, India's political and economic policymaking institutions have to cope with tremendous challenges in the immediate moment and over the longer term. Therefore, UPIASI would also aim to focus on COVID-19 response and impact on the sectors mentioned aforesaid, especially policymaking and initiatives to benefit marginalised groups.

INDEPENDENT AUDITORS' REPORT

To the Members of
Infinite Computer Solutions (India) Limited

Report on the Audit of the Consolidated Financial Statements

OPINION

We have audited the accompanying Consolidated Financial Statements of INFINITE COMPUTER SOLUTION (INDIA) LIMITED (“the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2021, the Consolidated profit, Consolidated total comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

RESPONSIBILITIES OF MANAGEMENT FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (“Ind AS”) prescribed under Section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the Financial Statements / financial information of Eight (8) subsidiaries, whose Financial Statements / financial information reflect total assets of ₹ 20,107.75 million as at March 31, 2021, total revenues of ₹. 35,073.64 million and net cash outflows amounting to ₹ 1044.68 million for the year ended on that date, as considered in the Consolidated Financial Statements. These Financial Statements / financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our reports in terms of sub section(3) and (11) of section 143 of the Act, in so far as it related to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Financial Statements.
- b. In our Opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.
- c. The Consolidated balance sheet, the Consolidated Statement of profit and loss, the Consolidated Statement of cash flows and Consolidated Statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on March 31, 2021, from being appointed as a Director of that Company in terms of Section 164(2) of the Act.

f. With respect to the adequacy of the internal financial control over financial reporting of the Company and operating effectiveness of such control, refer to our separate report in “**Annexure A**” attached, which is based on the auditor's report on the Company and its subsidiaries incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies.

g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- The Group has no pending litigation having any significant impact on the Consolidated financial position of the group requiring any disclosure in Consolidated Financial Statements;
- The Group did not have any material foreseeable losses, on long term contracts including derivatives contracts.
- There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India;

“ANNEXURE A” TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/S INFINITE COMPUTER SOLUTIONS (INDIA) LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal Financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OTHER MATTERS

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal Financial Controls over Financial Reporting insofar as it relates to 14 subsidiary companies, which are companies incorporated in India, is based on the corresponding auditors reports of such companies incorporated in India.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

All material inter-Company transactions, balances and unrealized surplus and deficit on transactions between group companies are eliminated. Consistency in adoption of accounting policies among all group companies is ensured to the extent practicable.

iv. Use of Estimates

The preparation of the Consolidated Financial Statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the end of period/year. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

v. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable taking into account the amount of any trade discounts and volume rebates allowed by the Company. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The Company recognises revenue when it transfers control over a product or services to a customer. The following specific recognition criteria must also be met before revenue is recognized:

- **Income from software services**

Revenue from time and material engagements is recognized on time proportion basis as and when the services are rendered in accordance with the terms of the contracts with customers. In case of fixed price contracts, revenue is recognized based on the milestones achieved as specified in the contracts, on proportionate completion basis. Unbilled revenue represents revenue recognized in relation to work done until the balance sheet date for which billing has not taken place. Unearned revenue represents the billing in respect of contracts for which the revenue is not recognized. The Company collects applicable taxes on behalf of the government and therefore these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

- **Interest**

Interest income is recognized on a time proportion basis taking into account the carrying amount and the effective interest rate. Interest income is included under the head 'Other income' in the Statement of profit and loss.

- **Dividend**

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date. Dividend income is included under the head 'Other income' in the statement of profit and loss.

vi. a. Property, Plant & Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and directly attributable costs of bringing the asset to its working condition for its intended use.

Any trade discounts and rebates are deducted in arriving at the purchase price. Capital work-in-progress includes cost of Property, Plant and Equipment that are not ready to be put to use. Subsequent expenditure related to an item of Property, Plant and Equipment(s) were added to its book value only if it is probable that future economic benefits associated with the item (s) will flow to the Company. All other expenses on existing Property, Plant and Equipment(s), including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss for the period / year during which such expenses are incurred.

Gains or losses arising from disposal of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed off.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

b. Intangible Assets

Intangible assets including software licenses of enduring nature and contractual rights acquired separately are measured on initial recognition at cost. Following initial recognition criteria intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed off.

Useful life of Intangibles assets is taken as six year.

Research and development costs

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the Group Company can demonstrate:

- Technical feasibility of completing the intangible asset so that it will be available for use or sale;
- Its intention to complete the asset;
- Its ability to use or sell the asset;
- How the asset will generate probable future economic benefits;
- The availability of adequate resources to complete the development and to use or sell the asset; and
- The ability to measure reliably the expenditure attributable to the intangible asset during development.

Such development expenditure until capitalization were reflected as intangible assets under development. Following the initial recognition criteria internally generated intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization of internally generated intangible asset begins when the development is complete, and the asset is available for use.

Goodwill arising on amalgamation of Subsidiary - Comnet International Co is to be carried out at its present value without further amortisation in future but subject however to testing for impairment annually.

vii. Depreciation

Depreciation on all fixed assets is provided on the straight-line method over the estimated useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on addition to fixed assets is provided on pro-rata basis from the date the assets are put to use. Depreciation on sale/deduction from fixed assets is provided for up to the date of sale, deduction, discernment as the case may be.

viii. Investments

Long term investments are stated at cost less provision for diminution in value of investments, which is considered to be permanent. Current investments are stated at lower of cost or fair market value (determined on the specific identification basis). Cost includes original cost of acquisition, including brokerage and stamp duty.

ix. Leases

The Group Company lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Group Companies recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group Companies recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Transition

Effective April 1, 2019, The Group adopted Ind AS 116 “Leases”, applied to all lease contracts existing on April 1, 2019 using the modified retrospective method along with the transition options to recognize right of use assets at an amount to equal to lease liability.

The following is the summary of practical expedients elected on initial application:

- Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 7.0% and the Group decided to keep it unchanged for FY 2020-21.

Following are the changes in the carrying value of right of use assets for the year ended March 31, 2021 and the year ended March 31, 2020:

Closing Balance as on March 31, 2021	599.52	570.55

The Company as a lessor:

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Currently all the leases where the Company as a lessor, are classified as operation leases. For operating leases, rental income is recognised on a straight-line method over the term of the relevant lease.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

x. Foreign Currency Transactions

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of profit and loss and reported within foreign exchange gains/(losses).

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in the profit and loss account. Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively)

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

xi. Employee Benefits

Holding Company and its Indian Subsidiary

- a. Provident Fund eligible employees receive benefits from Provident Fund which is a defined contribution plan. Both the employees and the Company make monthly contributions to the provident fund authorities equal to specified percentage of eligible covered employees' salary. The Company has no other obligation other than the monthly contribution.
- b. Gratuity & Leave Encashment cost is determined on the basis of actuarial valuation using the projected unit credit method at the reporting date. Re-measurements comprising of actuarial gains and losses are recognized in full in the statement of other comprehensive income in the reporting period in which they occur. Re-measurements are not reclassified to profit and loss subsequently.

In the case of its Indian subsidiary India Comnet International Pvt. Ltd. the liabilities with regard to gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to LIC, who are the trustees / administrator of the plan.

Subsidiaries in US

In case of US Subsidiaries, a saving and investment plan has been maintained under section 401(k) of the internal revenue code of the United States of America. This is a defined contribution plan. Contributions are charged to income in the period in which they accrue.

Subsidiary in Singapore

As per the local laws of Singapore, employers are required to contribute up to 13% of the basic salary of the employees. Contribution is made to the fund approved by the government of Singapore.

xii. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

xiii. Income Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in statement of profit and loss.

Deferred income taxes reflect the impact of temporary differences between tax base of assets and liabilities and their carrying amounts. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences except deferred tax liability arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit/loss at the time of transaction. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses except deferred tax assets arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit/loss at the time of transaction. Deferred tax assets are recognized only to the extent that sufficient future taxable income will be available against which such deferred tax assets can be realized.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are off set, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

xiv. Minimum Alternate Tax

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at the each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specific period.

xv. Impairment of Property, Plant & Equipment & other Intangible Assets.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. Recoverable amount of intangible under development that is not yet available for use is estimated at least at each financial period / year end even if there is no indication that the asset is impaired. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. The increased carrying amount of an asset other than goodwill attributable of a reversal of an impairment loss shall not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

xvi. Material Events

Material events occurring after the Balance Sheet date are taken into cognizance.

C. SHARE CAPITAL

The Company has one class of equity shares with a par value of ₹ 10/- per share. Each shareholder is eligible for one vote per share held. Each shareholder is having similar dividend rights for each share held. F. SEGMENT REPORTING

Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the management evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by geographical segments. Accordingly, information has been presented along these geographical segments. The accounting principles used in the preparation of the Financial Statements are consistently applied to record revenue and expenditure in individual segments. Operating income, net income, assets and liabilities has not been provided by geographies as these are not realistically allocable and identifiable. Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

The goodwill is subject to impairment test annually.

J. FINANCIAL RISK MANAGEMENT

The principal financial assets of the Company includes trade and other receivables and cash and bank balances that derive directly from its operations. The principal financial liabilities of the Company, include trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the Company.

The Company is exposed to market risk, foreign currency risk, interest risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the Company is exposed to and policies and framework adopted by the Company to manage these risks:

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk and foreign currency risk.

Foreign currency risk

The Company operates internationally and business is transacted in several currencies. The export sales of Company comprise around of the total sales of the Company. Further, the Company also imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently the Company is exposed to foreign currency risk and the results of the Company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than Company's functional currency.

Interest Rate Risk

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

Liquidity Risk

The financial liabilities of the Company, other than derivatives, include trade and other payables. The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool.

Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and bank balances is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

K. CAPITAL MANAGEMENT

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

There were no changes in the objectives, policies or processes for managing capital during the year ended March 31, 2021 and year ended March 31, 2020.

L. EXCEPTIONAL ITEMS

During the year, the Company has booked ₹ 47.15 million as exceptional items. This consist of:

- Loss on account of disposal of investment in VetFed Resources, Inc by Infinite Computer Solutions Inc USA: -

As per the redemption agreement between Infinite Computer Solutions Inc., and VetFed Resources, Inc., dated 1st April 2020, the investment of 25,000 no of Common shares of VetFed Resources, Inc., (forming 25% of the shareholding in that Company), at a total cost of USD 0.52 million, have been redeemed by VetFed Resources, Inc. for USD 0.01 million resulting in a loss of USD 0.51 million (INR 38.64 million). This is a highly unusual and non-recurring event and has been disclosed separately as an exceptional item in the Profit and Loss statement.

INDEPENDENT AUDITORS' REPORT

To the Members of
Infinite Computer Solutions (India) Limited

Report on the Standalone Ind AS Financial Statements

OPINION

We have audited the accompanying Ind AS Standalone Financial Statements of INFINITE COMPUTER SOLUTIONS (INDIA) LIMITED ('the Company'), which comprise the balance sheet as at March 31, 2021, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as Ind AS Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Ind AS standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Standalone Financial Statements.

RESPONSIBILITIES OF MANAGEMENT FOR THE IND AS STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE IND AS STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Ind AS Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Standalone Financial Statements, including the disclosures, and whether the Ind AS Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

“ANNEXURE B” TO THE AUDITOR'S REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of INFINITE COMPUTER SOLUTION (INDIA) LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that;

- i. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion and according to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS

Note 28

A. BACKGROUND

Infinite Computer Solutions (India) Limited (**'the Company'**), is a Public Limited Company which is incorporated and domiciled in India (CIN-U72200HR1999PLC089980) and having its registered office at 155, Somduitt Chamber II, 9, Bhikaji Cama Place, New Delhi – 110066. The registered office has been changed w.e.f. October 09, 2020 to 4th Floor, Plot No. 21, Institutional Area, Sector -44, Gurugram, Haryana – 122001. Company is a global service provider of Application Management Outsourcing, Remote Infrastructure Management Services, R&D and Intellectual Property Leveraged Solutions and related IT Services.

The accompanying Financial Statements reflect the results of the activities undertaken by the Company during the year ended March 31, 2021 and approved for issue by the Company's Board of Director in their meeting held on August 05, 2021.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

i. Basis of Accounting

These Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Financial Statements have been prepared on a going concern basis following the accrual system of accounting, except for the following material items which have been measured at fair value as required by relevant Ind AS:

- Derivative financial instruments,
- Certain financial assets and liabilities measured at fair value
- Defined benefit and other long-term employee benefits.

Statement of Compliance

The Company has adopted Indian Accounting Standards (referred to as "Ind AS") with effect from April 1, 2016. Previous periods and year's numbers have been restated to Ind AS.

These Financial Statements have been prepared in accordance with Ind AS 34 Interim Financial Reporting as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

ii. Use of Estimates

The preparation of the standalone Financial Statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the end of period / year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

iii. Functional Currency

The functional currency of the Company is the Indian rupee. These Financial Statements are presented in Indian rupees (rounded off to million; one million equals ten lakhs).

iv. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable considering the amount of any trade discounts and volume rebates allowed by the Company. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The Company recognises revenue when it transfers control over a product or services to a customer. The following specific recognition criteria must also be met before revenue is recognized:

NOTES TO THE FINANCIAL STATEMENTS

Income from software services

Revenue from time and material engagements is recognized on time proportion basis as and when the services are rendered in accordance with the terms of the contracts with customers. In case of fixed price contracts, revenue is recognized based on the milestones achieved as specified in the contracts, on proportionate completion basis. Unbilled revenue represents revenue recognized in relation to work done until the balance sheet date for which billing has not taken place. Unearned revenue represents the billing in respect of contracts for which the revenue is not recognized. The Company collects GST on behalf of the government and therefore, there is no economic benefits flowing to the Company, hence this is excluded from revenue.

Interest

Interest income is recognized on a time proportion basis considering the carrying amount and the effective interest rate. Interest income is included under the head 'Other income' in the statement of profit and loss.

Dividend

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date. Dividend income is included under the head 'Other income' in the statement of profit and loss.

v. i. Property, Plant & Equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation, and accumulated impairment losses, if any. The cost comprises the purchase price and directly attributable costs of bringing the asset to its working condition for its intended use.

Any trade discounts and rebates are deducted in arriving at the purchase price. Capital work-in-progress includes cost of Property, Plant and Equipment that are not ready to be put to use. Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it is probable that future economic benefits associated with the item will flow to the Company. All other expenses on existing Property, Plant and Equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period / year during which such expenses are incurred.

Gains or losses arising from disposal of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

Particulars	Useful Life
Building	60 Years
Building (other than RCC)	30 Years
Land	-
Plant & Machinery	15 Years
Furniture & Fixtures	10 Years
Servers & IT Equipment	6 Years
Office Equipment	5 Years
Electrical Equipment	10 Years
Computers	3 Years
Lease hold improvements	5 years
Vehicles	8 years

ii. Intangible Assets

Intangible assets including software licenses of enduring nature and contractual rights acquired separately are measured on initial recognition at cost. Following initial recognition criteria, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

Useful life of Intangibles assets is taken as six year.

Research and development costs

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the Company can demonstrate:

NOTES TO THE FINANCIAL STATEMENTS

- Technical feasibility of completing the intangible asset so that it will be available for use or sale.
- Its intention to complete the asset.
- Its ability to use or sell the asset.
- How the asset will generate probable future economic benefits.
- The availability of adequate resources to complete the development and to use or sell the asset; and
- The ability to measure reliably the expenditure attributable to the intangible asset during development.

Such development expenditure, until capitalization, is reflected as intangible assets under development. Following the initial recognition, internally generated intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization of internally generated intangible asset begins when the development is complete, and the asset is available for use.

vi. Depreciation

Depreciation on all fixed assets is provided on the straight-line method over the estimated useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on addition to fixed assets is provided on pro-rata basis from the date the assets are ready to use. Depreciation on sale/deduction from fixed assets is provided for up to the date of sale, deduction, discernment as the case may be.

vii. Investments

Long term investments are stated at cost, less provision for diminution in value of investments, which is permanent. Current investments are stated at lower of cost or fair market value (determined on the specific identification basis). Cost includes original cost of acquisition, including brokerage and stamp duty.

viii. Leases

The Company as a lessee:

The Company lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Transition

Effective April 1, 2019, The Company adopted Ind AS 116 "Leases", applied to all lease contracts existing on 1st April 2019 using the modified retrospective method along with the transition options to recognize right of use assets at an amount to equal to lease liability.

NOTES TO THE FINANCIAL STATEMENTS

The following is the summary of practical expedients elected on initial application:

- Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as of April 1, 2020 is 7.0% and the Company decided to keep it unchanged for FY 2020-21.

Following are the changes in the carrying value of right of use assets for the year ended March 31, 2020 and the year ended March 31, 2021:

Particulars	₹ Million

Less: Payment of lease liability	(77.67)	(53.32)
Closing Balance as on March 31, 2021	391.33	285.12

The Company as a lessor:

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Currently all the leases where the Company as a lessor, are classified as operation leases. For operating leases, rental income is recognised on a straight-line method over the term of the relevant lease.

ix. Foreign Currency Transactions

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/ (losses).

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in the profit and loss account. Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Actuarial gains or losses of Gratuity are recognized in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

Re-measurements comprising actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

xi. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

xii. Income Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in statement of profit and loss.

Deferred income taxes reflect the impact of temporary differences between tax base of assets and liabilities and their carrying amounts. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except deferred tax liability arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, affects neither accounting nor taxable profit/ loss at the time of transaction. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, except deferred tax assets arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit/ loss at the time of transaction. Deferred tax assets are recognized only to the extent that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available against which such deferred tax assets can be realized.

NOTES TO THE FINANCIAL STATEMENTS

Deferred tax assets and deferred tax liabilities are off set, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized in co-relation to the underlying transaction either in other comprehensive income or directly in equity.

xiii. Minimum Alternate Tax

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at the each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specific period.

xiv. Impairment of Property, Plant & Equipment & other Intangible Assets.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. Recoverable amount of intangible under development that is not yet available for use is estimated at least at each financial period / year end even if there is no indication that the asset is impaired. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. The increased carrying amount of an asset other than goodwill attributable of a reversal of an impairment loss shall not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

xv. Transfer Pricing Regulation

The Company has undertaken necessary steps to comply with transfer pricing regulations. The management is of the opinion that the international transactions are at arm's length & hence the aforesaid regulation will not have any impact on the Financial Statements, particularly on the amount of tax expense & that of the provision for taxation.

xvi. Provisions

As per IND AS 37, a provision shall be recognized when:

- an entity has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

xvii. Material Events

Material events occurring after the Balance Sheet date are taken into cognizance.

C. FINANCIAL INSTRUMENTS

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trade) are recognised on trade date. While, loans and borrowings and payable are recognised net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI and fair value through profit and loss account (FVTPL), non-derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

i. Non-Derivative Financial Assets

Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

NOTES TO THE FINANCIAL STATEMENTS

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss. Amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

The Company has not dealt with any financial assets in the form of Debt or Equity Instruments requiring fair value measurement as at each reporting period.

ii. Non-Derivative Financial Liabilities

Financial Liabilities at amortised cost

Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

Financial Liabilities at FVTPL

Financial Liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognised in the statement of profit and loss.

H. SEGMENT REPORTING

Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the management evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by geographical segments. Accordingly, information has been presented along these geographical segments. The accounting principles used in the preparation of the Financial Statements are consistently applied to record revenue and expenditure in individual segments. Operating income, net income, assets and liabilities has not been provided by geographies as these are not realistically allocable and identifiable. Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

P. IMPAIRMENT OF ASSETS

Whenever events or changes in circumstances indicate that the carrying value of long-lived assets may be impaired, the assets are subject to the test of recoverability based on estimates of future cash flows arising from continuing use of such assets and up to its ultimate disposal. A provision for impairment loss is recognized where it is probable that the carrying value of an asset exceeds the amount to be recovered through use or sale of the asset. No such probability of carrying value of the assets exceeding the amounts to be recovered through use or sale of the assets is expected presently and hence no provision for impairment loss is required in the opinion of the management.

Q. FINANCIAL RISK MANAGEMENT

The principal financial assets of the Company include trade and other receivables and cash and bank balances that derive directly from its operations. The principal financial liabilities of the Company, include trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the Company.

The Company is exposed to market risk, foreign currency risk, interest risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the Company is exposed to and policies and framework adopted by the Company to manage these risks:

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk and foreign currency risk.

Foreign Currency Risk

The Company operates internationally, and business is transacted in several currencies. The export sales of Company comprise 43% of the total sales of the Company for the period. Further, the Company also imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently the Company is exposed to foreign currency risk and the results of the Company may be affected as the rupee appreciates / depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than Company's functional currency.

NOTES TO THE FINANCIAL STATEMENTS

The following significant exchange rates applied during the year:

Particular	2020-21 (Average exchange rate)	2019-20 (Average exchange rate)	2020-21 (Year end rate)	2019-20 (Year end rate)
INR/USD	74.03	70.76	73.24	75.10

Interest Rate Risk

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

Liquidity Risk

The financial liabilities of the Company, other than derivatives, include trade and other payables. The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool.

Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and bank balances is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies.

R. Capital Management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

There were no changes in the objectives, policies or processes for managing capital during the year ended March 31, 2021 and March 31, 2020.

S. EXCEPTIONAL ITEM

On April 14, 2020, one 100% subsidiary company "Infinite Computer Solutions (Shanghai) Co. Limited" has ceased its operation and got itself de-register with Registrar of Company, China. Accordingly the parent Company, Infinite Computer Solutions (India) Limited, has written off the investment in 1.6 Million equity shares of subsidiary company, having value of ₹ 8.51 million as exceptional item.

T. RECLASSIFICATION

Notes:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its circular dated May 5, 2020 read with Circulars dated April 8, 2020 and April 13, 2020 and circular dated January 13, 2021 (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”)/Other Audio Visual Means (“OAVM”), without the physical presence of the members at a common venue. Accordingly, in compliance with the provisions of the Companies Act, 2013 (“the Act”) and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
2. In compliance with the aforesaid MCA Circulars, the Notice of AGM along with the Annual Report 2020-21 is being sent only through electronic mode, to all those members, whose email addresses are registered with the Company/Depositories. The members may note that the Notice of AGM and the Annual Report 2020-21 will also be available on the Company's website www.infinite.com and on the website of NSDL www.evoting.nsdl.com to download from the same.
3. The relevant details of the Director retiring by rotation and seeking re-appointment at this AGM is provided in the “Annexure” to the Notice.
4. A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since the AGM is being held in accordance with the MCA circulars through VC, physical attendance of members has been dispensed with and therefore the facility for appointment of proxies by the members will not be available. Hence, the proxy form and attendance slip are not annexed to this Notice.
5. Since the AGM will be held through VC/ OAVM, the route map of the venue of the AGM is not enclosed hereto.
6. CorporateMembers/Body Corporates (i.e. shareholders other than individuals/HUF, NRI, etc.) who intend their authorized representatives to attend the AGM via VC/OAVM on their behalf and to vote through remote e-voting, are requested to send a duly certified copy of the Board or Governing Resolution / Power of Attorney or Authorisation letter etc. to the Scrutinizer by email at prashant@pdsco.in with a copy marked to evoting@nsdl.co.in.
7. In case of joint holders, only such joint holder who is named first in the order of names will be entitled to vote.
8. Members are requested to note that, dividends, if not encashed for a consecutive period of 7 years from the date of transfer to unpaid dividend account of the Company, are liable to be transferred to the Investor Education and Protection Fund (“IEPF”). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority on expiry of aforesaid period of 7 years. In view of this, members / claimants are requested to claim their dividends from the Company, within the stipulated timeline. The members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority, in Form No. IEPF-5 available on www.iepf.gov.in.
9. The Company's Registrar & Transfer Agent (“RTA”) is Bigshare Services Private Limited having their office at 302, Kushal Bazar, 32-33, Nehru Place, New Delhi – 110019 and email id Investor.del@bigshareonline.com.
10. Pursuant to the provisions of section 72 of the Act, a member of a Company may at any time, nominate any person in whom the shares held by him shall vest, in the event of his unfortunate death.

The members who have not yet registered their nomination are requested to register their nomination by filing Form SH-13 with the RTA (in case shares are held in physical form) and with the respective Depository Participant (“DP”) (in case the shares are held in dematerialized form)
11. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (“PAN”), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their respective Depository Participants (“DPs”) in case the shares are held in electronic form and to the RTA of the Company – Bigshare Services Private Limited in case the shares are held in physical form.

Special Request: To support the 'Green Initiative', members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form.
12. Members may please note that pursuant to the Companies (Prospectus and Allotment of Securities) Third Amendment Rules, 2018 dated September 10, 2018, except in case of transmission or transposition of securities, the Company has discontinued processing the request for transfer of securities held in physical form effective October 02, 2018. Members may please note that the securities of a Company can now be transferred only in dematerialized form.

Accordingly, members holding shares in physical form are requested to consider converting their holding to dematerialized form for ease of portfolio management. Members may contact their respective DPs or the RTA for assistance in this regard.
13. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A Consolidated share certificate will be issued to such Members after making requisite changes.
14. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
15. The documents referred to in the accompanying Notice and Explanatory Statement, if any, shall be available for inspection through electronic mode on the basis of request sent on cs@infinite.com. Further the Register of Directors and Key Managerial Personnel and their shareholding, Register of Contracts or Arrangements in which Directors are interested will be available in secured electronic mode for inspection during the proceedings of the AGM till the conclusion of the AGM.

16. VOTING THROUGH ELECTRONIC MEANS:

- i. In compliance with the provisions of section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the members are provided with the facility to cast their vote electronically, through the e-voting services provided by National Securities Depository Limited (“NSDL”) on all the resolutions set forth in this Notice.
- ii. A member can vote either by remote e-voting or by e-voting at the AGM. The members who have casted their vote by remote e-voting prior to the AGM may also attend/participate at the AGM via VC / OAVM but shall not be entitled to cast their vote again.
- iii. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on Thursday, September 23, 2021 (“cut-off date”).
- iv. The Board has appointed Mr. Prashant Kumar Balodia (M. No. FCS6047) of M/s PDS & Co, Practicing Company Secretaries, New Delhi as the Scrutinizer to scrutinize the remote e-voting process and voting at the AGM in a fair and transparent manner.
- v. The remote e-voting period commences on Monday, September 27, 2021 from 09.00 A.M. and ends on Wednesday, September 29, 2021 at 05.00 P.M. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on cut-off date i.e., Thursday, September 23, 2021, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
